

CORNERSTONE

CYCLONES

SUMMER YOUTH SWIM TEAM

Sign up for the newest swim team in West Hartford! The Cornerstone Cyclones will combine all of the West Hartford outdoor pool teams into one!

What's the same from last year?

- Swimmers will swim as representatives of the Town of West Hartford.
- Upon registration you will select your home outdoor pool and represent them in the West Hartford Outdoor Town Championship Meet; for all other meets, swimmers represent the Cyclones.
- There will be select practices at the outdoor pools on assigned dates.

What's different?

- The Cyclones will be part of a recreational swim league, which includes surrounding communities.
- There will be a league championship meet in which all team members will represent the Cyclones, not their home pool.
- Practices will be held at Cornerstone unless otherwise noted.
- Meets will be held at night during the week.

There are 4 practice groups, each focused towards different skill and ability levels.
